

UNLEASH THE POWER OF AUTHENTICITY!

- Reduce turnover and burnout
- Accelerate talent development
- Replace silos with connection and commitment

Leaders who can leverage vulnerability, transparency, and empathy are the key to thriving in the current business environment. Are your leaders ready?

THE AUTHENTIC
EXECUTIVE

EXECUTIVE COACHING | SPEAKING & WORKSHOPS | TEAM TRANSFORMATION

CREATE A LEADERSHIP CULTURE OF CONNECTION AND BELONGING WITH:

SELF-MASTERY & CONNECTIVITY

Deeper self-awareness, self-command, and personal ownership for impact on others and the business.

VALUES ALIGNMENT

Connecting with and using personal values as a guide for leading.

PURPOSE

Lead authentically with courage and commitment, bringing out the best in others and making a meaningful impact.

“

The Resilient Leader program should be an integral component of an organization's commitment to leadership development. They provide tools to increase awareness of biases and assumptions that impede effective leadership. I felt personally accountable for increasing my interpersonal skills based on this program. I would highly recommend.

– Alberta F.

Managing Director, Healthcare

“

As a result of working with The Authentic Executive, our teams went from being ready to revolt to stepping-up, helping each other, volunteering. There's more of a sense of connection, appreciation, and community.

– Pam E.

Director, Healthcare

“

I've attended countless "leadership development" sessions, but only my 1:1s with Scott gave me the guts of how to hold an uncomfortable performance conversation... the skills and techniques I learned made those performance conversations better and that I'll use them in countless other situations throughout my career.

– Sara R.

Managing Director, Healthcare
